The Purpose of the Arkansas Quilters Guild is to promote the appreciation of the rich heritage of the art of quilting and to enhance each member's own quilting skills and knowledge. It shall also be the purpose of this organization to expand and to enrich the art of quilting for future generations and preserve the existing quilts.

Dear Quilters,

I thought the eclipse was amazing and I am so glad I got to see it in my backyard. I am looking forward to the May class by Charlotte Angotti and spending the day with a lot of members.

I hope to have a show and tell experiment ready to debut in May. It may work and it may not. But I want to try it. Also working on getting wi fi for the meeting room for our meeting days. This will be a big step up for future programs and classes.

Your President

Cindy B
